I didn't save it – I just Googled zip codes until I got to a map; I'll get on it tomorrow & send you a link.

Thanks,

Subject: San Jacinto zip codes

Gary,

Would you mind telling me again what web site you were looking at to get the zip codes along the river? Our Birth Defects group said it would be easier for them to get the information we are asking for if they had a map. So I was going to try and put one together for them.

Thanks
Tina
